

What's New in Abila MIP Fund Accounting™ Version 2019.1.0.0

Finance and accounting professionals need a secure, robust system with cutting edge usability, technology and reporting capabilities. In this release, we've made key performance improvements and reporting enhancements across MIP Fund Accounting™.

MIP Fund Accounting™

• Release of MIP Advance Reporting

- Reporting across the application is now available in a modernized, highly intuitive web accessible interface
- Reporting categories include: Accounts Payable, Accounts Receivable, Bank Reconciliation, Budget, Check Voucher Register, Financial Statement, General Ledger Analysis, Journals, Lists and Transactions
- Customer driven usability changes have been made throughout the MIP Advance interface to increase usability and intuitiveness

• Other MIP Enhancements

- Upgrading security encryption algorithms and system messaging to continually enhance application security
- Timesheet enhancements to simplify reporting and tracking of large numbers of customers
- 2018 Tax updates for many states
- Changes to meet Arizona specific pay law changes
- Quality enhancements across the application

MIP™ Idea Portal

You can find the MIP™ Idea Portal on the MIP™ Menu at mipideas.abila.com. This portal contains 20-plus unique categories across MIP™ for quickly submitting your ideas. You can also vote for other ideas submitted by your peers and check statuses of all ideas.
